

DENTAL CARE PLANS

We are delighted to offer our dental care plan with Denplan. This is a membership scheme which enables us to provide you with the treatment and the prevention to keep dental disease at bay and restore your mouth to full dental health.

This scheme allows you to have a healthier mouth and help keep your natural teeth for longer, with access to all the modern techniques, at a reduced cost.

The scheme allows you to:

- Have a convenient way to pay for routine treatment
- Greater choice of treatment and materials
- More time to prevent decay and gum disease
- Discounts on additional treatments
- Accidental dental insurance, and cover whilst abroad.

Denplan essential care Plan

Regular dental appointments (two a year) to provide:

- Clinical examination & any photos
- Screening for Oral cancer
- Radiographs where appropriate

Regular hygiene appointments (two a year) to provide:

- Scale and polish
- Periodontal advice
- Preventative advice to reduce decay and gum disease

Percentage reduction on treatment including crowns, dentures, fillings, extractions.

Dental Implants, orthodontics and smile makeover dentistry are excluded.

Denplan Essentials Care Plan Plus

As for the care plan, but members are entitled to four hygiene visits a year.

Denplan Essentials Care Plan Yearly

As for the care plan, but members are entitled to one dental and one hygienist appointment per year, or two dental appointments per year.

Worldwide cover/accidental cover

The supplementary insurance gives you the following key benefits:

Temporary emergency dental treatment and pre-authorized permanent emergency dental treatment in the UK— when away from your own dentist in the UK. (Up to £800 per year, up to £400 per incident, with specified treatment limits)

Overseas temporary emergency dental treatment and pre-authorized permanent emergency dental treatment. (Up to £840 per year, up to £420 per incident.)

Worldwide dental injury. (Up to £10,000 per incident with specified treatment limits)

Hospital Cash benefit for overnight stays.

Out of hours consultation for dental emergency or dental injury. (Pays a fee to cover the cost of a

dentist opening the dental practice to provide treatment outside normal surgery hours. The insured person is responsible for the first £20 of each claim.)

Mouth cancer cover

Benefit of implant upgrade cover (needs registration).

(This is a guide, please see the Denplan booklet for details on the policy.)

Family cover

If more than one member of a family (or group) at one address is registered at the Wickham Dental Practice and payments are made under a single direct debit, then discounts apply.

Denplan care for children

Good habits and prevention start young. Our Children's Denplan Scheme offers regular exams and any treatment necessary to keep their mouth healthy. It also provides emergency care away from home and abroad and cover for Dental injury. Ask our reception for more details.
